Give up leaking. Not dancing.

“The device is very effective. It crazy helped with my incontinence.”

Liberty – 37

Do you leak when you laugh, sneeze, cough or exercise? Do you wear pads because you leak? If so, you likely have stress urinary incontinence. Incontinence can rob you of so many joys of life. It's hard to be confident and active when you are worrying about leaks. But there is a simple solution to get you back to living leak free.

The solution

ELITONE is a first of its kind device that allows non-invasive treatment of stress urinary incontinence. ELITONE uses gentle, low-frequency pulses to stimulate weakened pelvic floor muscles by doing perfectly-timed Kegels – for you. With regular use, those embarrassing leaks will go away.

“Prior I had constant problems with incontinence. ELITONE changed my life. I now have complete control over urination again! No surprises, no worries.”

Diana – 66

A woman's solution to a woman's issue.

Gloria Kolb is CEO of Elidah, inventor of ELITONE and mother of three. She has engineering degrees from MIT and Stanford. “I started Elidah because I wanted to help women regain control and confidence.”

Why ELITONE?

✓ Easy

ELITONE was designed to fit conveniently into your life. Wear it for 20-minute sessions while working, lounging, cooking, pretty much anytime. ELITONE is used 4-5 times per week for 6-12 weeks.

✓ Non-invasive

Wear the comfortable GelPads under your clothes, where a pad would go, adjust the stimulation level on the handheld controller, and forget about it!

✓ Effective

In a recent survey at the American College of Obstetricians and Gynecologists, 9 out of 10 gynecologists would prescribe ELITONE to their patients. FDA-reviewed data shows that 95% of women who used ELITONE achieved an average 71% reduction in leaks.

"I really feel that the device made an impact. I ran 3 miles and didn't leak!"
