Give up leaking. Not dancing.

“I love this device! I have seen marked improvements. Unbelievable!”

-Janet, Maryland

Do you leak when you laugh, sneeze, cough or exercise? Do you wear pads because you leak? If so, you likely have stress urinary incontinence. Incontinence can rob you of so many joys of life. It's hard to be confident and active when you are worrying about leaks. But there is a simple solution to get you back to living life leak free.®

The solution

ELITONE is a first of its kind device that allows non-invasive treatment of stress urinary incontinence. ELITONE uses gentle, low-frequency pulses to stimulate weakened pelvic floor muscles by doing perfectly-timed Kegels - for you. With regular use, those embarrassing leaks will go away.

“I had constant problems with incontinence. ELITONE changed my life. I now have complete control over urination again! No surprises, no worries.”

-Diana, age 66

A woman's solution to a women's issue.

Gloria Kolb is CEO of Elidah, inventor of ELITONE and mother of three. She has engineering degrees from MIT and Stanford. “I started Elidah because I wanted to help women regain control and confidence.”

Why ELITONE?

✓ Easy

ELITONE was designed to fit conveniently into your life. It only takes 20 minutes a day, is thinner than a pad, and comfortable. Wear it while you go about your normal day.
