

## Elitone® Reimbursement Guide

Elidah, the maker of [Elitone](#), **does not guarantee insurance coverage or reimbursement**. This guide helps individuals seeking coverage or reimbursement.

Elitone is classified as a **non-implantable pelvic floor electrical stimulator** under **HCPCS/DME Code E0740**. A **prescription (Rx)** or [Detailed Written Order \(DWO\)](#) is typically required. [Download](#) physician resources..

### Medicare Coverage

Elitone is **approved for nationwide Medicare Part B coverage as Durable Medical Equipment (DME)**. Medicare covers Elitone as a **rental for 13 months**, after which ownership transfers to the patient. You will be responsible for any co-pays or out-of-pocket costs.

**Requirements** for Coverage:

- **Prescription** for Elitone or Elitone URGE, including a Medical Necessity Statement (see **DWO**).
- **Physician documentation** proving a **4-week trial** of pelvic floor muscle exercises attempted with additional intervention needed.
- **(Preferred)** Chart notes supporting the need for **neuromuscular electrical stimulation** before considering surgical or implantable treatments.

**Note:**

- **Elidah processes Original Medicare (Part B) claims.**
- **Medicare Advantage (Part C) and private insurance claims take much longer** due to required coordination with in-network DME providers, if covered at all.

### Private Insurance

Many private insurers cover devices like Elitone, but **policies, requirements, and copays vary**. Contact your insurer to confirm coverage using the **HCPCS Code E0740** and description above.

Like Medicare Advantage plans, **private insurance claims take longer** as Elidah must work with in-network DME providers.

### Healthcare Savings Accounts (HSA) / Flexible Spending Accounts (FSA)

- **Fastest option:** At checkout, select the **SIKA FSA-verified** payment method for **instant approval—no receipts or paperwork required**.
- **Alternative:** Request **reimbursement** from your HSA/FSA provider using this [Letter](#).

### Product & Manufacturer Information

- **Manufacturer:** Elidah, 31 Pecks Ln, Ste 11, Newtown, CT 06470
